THE ITTY BITTY UNICORN

Once upon a time...
There was an Itty Bitty Unicorn.
Unicorns are really, really small!
They can barely be called
Tall at all!

A unicorn
Looks like a deer.
She has only one horn!
That seems kind of queer....

This horn sticks out
Of the middle of her head!
This horn gives the unicorn
Some magic, it is said!

Magic is somewhat
Like a trick, oh wow!
Magic is something done
We don't know how!

It has been a long time,
It seems,
Since anyone saw a unicorn,
Except in a dream!

Our Itty Bitty Unicorn,
Because she is so small,
Can only be seen by little kids
Because they also, are not very tall!

If you look in the grass,
Or around a playground or two,
You might see her hiding...
But not in a zoo!

An Itty Bitty Unicorn
Is always friendly, you see.
Whenever you are lonely,
A friend she will be!

Itty Bitty Unicorn
Will play when you play.
She never gets tired,
Even on a very long day.

If you like to read,
She will listen to you.
If you tell her secrets,
She will keep them for you!

Having a tea party
With no one to share?
Itty Bitty Unicorn
Will always be there!

Did something happen
That is really bad?
Itty Bitty Unicorn
Will share your SAD....

Need to tell
A joke or two?
But no one is near
No one to hear?

Itty Bitty Unicorn
Is ready to laugh with you.
She really likes
To be tickled, too!

Now you know
That a Unicorn
Is an imaginary animal
With a single horn!

She may not be real
But we know she does care.
So if you need a friend,
Itty Bitty Unicorn is always there!

And she lived happily ever after

LESSON PLAN

What does a unicorn look like?

Is a unicorn real or imaginary?

Have you ever had a friend who was not real, or could not talk (like a Teddy Bear?)

Is it okay to sometimes have an imaginary friend, or talk to an animal or toy?

Ask a grown-up, like a parent or grandparent or sister, if they had a friend like the Itty Bitty Unicorn when they were growing up!

What are some of the rhyming words in the story?
