## THE ITTY BITTY WOLF

Once upon a time...  
There was an Itty Bitty Wolf.  
He was so small  
He made a rabbit look tall!

The Itty Bitty Wolf  
Was quiet when he walked.  
He did not like to scare  
The food he stalked!

His nose could smell  
Smelly things far away.  
He sniffed the air  
All the time, all the day!

He smelled the animals  
(Some that he could eat!)  
He smelled for danger,  
So he could retreat!

Itty Bitty Wolf  
Could see well, too!  
He could see movement  
For a mile or two!

He could see a squirrel  
Way up in a tree.  
He could see a flower  
Being visited by a bee!

His eyes, it seemed,  
Would glow at night.  
And if you would see them,  
You would have a terrible fright!

Itty Bitty Wolf  
Had a Grampa getting old.  
Grampa could not hunt very well,  
And he was always cold!

Gramma Wolf  
Was that way, too.  
They both worried a lot.  
Itty Bitty Wolf did too.

Itty Bitty Wolf  
Saw the problems they had.  
His Grandparents tried hard,  
And it made him sad.

Itty Bitty Wolf knew  
All the things that HE could do!  
He could hunt, and smell, and see,  
Well enough for all three!

So that's what he did,  
This Itty Bitty Wolf, oh boy!  
To his Grandparents,  
He was quite a joy!

He brought them food  
Since he caught plenty.  
Some days that was great  
Since their bellies were empty!

If they got cold  
When taking a nap,  
Itty Bitty Wolf  
Would crawl up in their lap!

Itty Bitty Wolf took care  
Of the old ones, you see!  
It made them feel wanted,  
And him as happy as can be!

And he lived happily ever after...

## LESSON PLAN

What kind of things, called senses, could Itty Bitty Wolf do very well!

Itty Bitty Wolf had grandparents who were getting old and needed help.  
What did Itty Bitty Wolf do to help them?

Have you ever helped people older than you?

Did it make them feel good, and make you feel good, too?

Should we try to help other people, if we can?

What are some of the rhyming words in the story?
